Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d-2; Notice of Filing and Order Approving and Declaring Effective a Proposed Plan for the Allocation of Regulatory Responsibilities Between the Financial Industry Regulatory Authority, Inc., Bats BZX Exchange, Inc., Bats BYX Exchange, Inc., Bats EDGA Exchange, Inc., and Bats EDGX Exchange, Inc.

Notice is hereby given that the Securities and Exchange Commission (“Commission”) has issued an Order, pursuant to Section 17(d) of the Securities Exchange Act of 1934 (“Act”),¹ approving and declaring effective a plan for allocating regulatory responsibility (“Plan”) filed on September 30, 2016, pursuant to Rule 17d-2 of the Act,² by the Financial Industry Regulatory Authority, Inc. (“FINRA”), Bats BZX Exchange, Inc. (“BZX”), Bats BYX Exchange, Inc. (“BYX”), Bats EDGA Exchange, Inc. (“EDGA”), and Bats EDGX Exchange, Inc. (“EDGX”) (each, a “Participating Organization,” or “Bats Exchange,” and together, the “Participating Organizations,” “the Bats Exchanges,” or the “Parties”). The Plan replaces and supersedes the agreement between FINRA and BZX dated August 25, 2008;³ the agreement between FINRA

I. Introduction

Section 19(g)(1) of the Securities Exchange Act of 1934 (“Act”),⁷ among other things, requires every self-regulatory organization (“SRO”) registered as either a national securities exchange or national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO’s own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d) or Section 19(g)(2) of the Act.⁸ Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO (“common members”). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act⁹ was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication.¹⁰ With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d-1 and Rule 17d-2 under the Act.¹¹ Rule 17d-1 authorizes the Commission to name a single SRO as the designated examining authority (“DEA”) to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules.¹² When an SRO has been named as a common member’s DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d-1 deals only with an SRO’s obligations to enforce member compliance with financial responsibility requirements. Rule 17d-1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d-2 under the Act.¹³ Rule 17d-2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their common members. Under paragraph (c) of Rule 17d-2, the Commission may declare such a plan effective if, after providing for appropriate notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors; to foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d-2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. Proposed Plan

The proposed 17d-2 Plan is intended to reduce regulatory duplication for firms that are common members of a Bats Exchange and FINRA.¹⁴ Pursuant to the proposed 17d-2 Plan, FINRA would assume certain examination and enforcement responsibilities for common members with respect to certain applicable laws, rules, and regulations. The Plan replaces and supersedes the individual agreements between FINRA and each Bats Exchange¹⁵ and is intended to reduce the administrative burden associated with maintaining four separate plans.

The text of the Plan delineates the proposed regulatory responsibilities with respect to the Parties. Included in the proposed Plan is an exhibit (the “Bats BZX Exchange, Inc. (“BZX”), Bats BYX Exchange, Inc. (“BYX”), Bats EDGA Exchange, Inc. (“EDGA”), and Bats EDGX

(“EDGX”) Rules Certification for 17d-2 Agreement with FINRA,” referred to herein as the “Certification”) that lists every rule of the Bats Exchanges, and select federal securities laws, rules, and regulations, for which FINRA would bear responsibility under the Plan for overseeing and enforcing with respect to members of the Bats Exchanges that are also members of FINRA and the associated persons therewith (“Common Members”).

Specifically, under the 17d-2 Plan, FINRA would assume examination and enforcement responsibility relating to compliance by Common Members with the rules of each Bats Exchange that are substantially similar to the applicable rules of FINRA,¹⁶ as well as any provisions of the federal securities laws and the rules and regulations thereunder delineated in the Certification (“Common Rules”). In the event that a Common Member is the subject of an investigation relating to a transaction on a Bats Exchange, the plan acknowledges that the Bats Exchange may, in its discretion, exercise concurrent jurisdiction and responsibility for such matter.¹⁷

Under the Plan, each Bats Exchange would retain full responsibility for surveillance and enforcement with respect to trading activities or practices involving the Bats Exchange’s own marketplace, including, without limitation, registration pursuant to its applicable rules of associated persons (i.e., registration rules that are not Common Rules); its duties as a DEA pursuant to Rule 17d-1 under the Act; and any rules of the Bats Exchange that are not Common Rules, except for the Bats Exchanges rules for any broker-dealer subsidiary of the Bats

¹⁶ See paragraph 1(b) of the proposed 17d-2 Plan (defining Common Rules). See also paragraph 1(f) of the proposed 17d-2 Plan (defining Regulatory Responsibilities). Paragraph 2 of the Plan provides that annually, or more frequently as required by changes in either the Bats Exchanges rules or FINRA rules, the parties shall review and update, if necessary, the list of Common Rules. Further, paragraph 3 of the Plan provides that the Bats Exchanges shall furnish FINRA with a list of Common Members, and shall update the list no less frequently than once each calendar quarter.

**AGREEMENT BETWEEN FINANCIAL INDUSTRY
REGULATORY AUTHORITY, INC.,
BATS BZX EXCHANGE, INC., BATS BYX EXCHANGE, INC.,
BATS EDGA EXCHANGE, INC., AND BATS EDGX EXCHANGE, INC. PURSUANT
TO
RULE 17d-2 UNDER THE SECURITIES EXCHANGE ACT OF 1934**

This Agreement, by and between the Financial Industry Regulatory Authority, Inc. ("FINRA"), Bats BZX Exchange, Inc. ("BZX"), Bats BYX Exchange, Inc. ("BYX"), Bats EDGA Exchange, Inc. ("EDGA"), and Bats EDGX Exchange, Inc. ("EDGX") (collectively, the "Bats Exchanges" and each a "Bats Exchange") is made this 30th day of September, 2016 (the "Agreement"), pursuant to Section 17(d) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 17d-2 thereunder, which permits agreements between self-regulatory organizations to allocate regulatory responsibility to eliminate regulatory duplication. FINRA and the Bats Exchanges may be referred to individually as a "party" and together as the "parties." Upon approval by the Securities and Exchange Commission ("Commission" or "SEC") this Agreement shall replace and supersede the agreement between FINRA and BZX dated August 25, 2008; the agreement between FINRA and BYX dated September 3, 2010; the agreement between FINRA and EDGA dated March 31, 2010; and the agreement between FINRA and EDGX dated March 31, 2010.

¹⁸ See paragraph 2 of the proposed 17d-2 Plan.

¹⁹ See paragraph 6 of the proposed 17d-2 Plan.

WHEREAS, FINRA and the Bats Exchanges desire to reduce duplication in the examination and surveillance of their Common Members (as defined herein) and in the filing and processing of certain registration and membership records; and

WHEREAS, FINRA and the Bats Exchanges desire to execute an agreement covering such subjects pursuant to the provisions of Rule 17d-2 under the Exchange Act and to file such agreement with the Commission for its approval.

NOW, THEREFORE, in consideration of the mutual covenants contained hereinafter, FINRA and each Bats Exchange hereby agree as follows:

1. **Definitions.** Unless otherwise defined in this Agreement or the context otherwise requires, the terms used in this Agreement shall have the same meaning as they have under the Exchange Act and the rules and regulations thereunder. As used in this Agreement, the following terms shall have the following meanings:

(a) “Bats Exchanges Rules” or “FINRA Rules” shall mean: (i) the rules of each Bats Exchange, or (ii) the rules of FINRA, respectively, as the rules of an exchange or association are defined in Exchange Act Section 3(a)(27).

(b) “Common Rules” shall mean the rules of each Bats Exchange that are substantially similar to the applicable FINRA Rules and certain provisions of the Exchange Act and SEC rules set forth on Exhibit 1 in that examination or surveillance for compliance with such provisions and rules would not require FINRA to develop one or more new examination or surveillance standards, modules, procedures, or criteria in order to analyze the application of the provision or rule, or a Common Member’s activity, conduct, or output in relation to such provision or rule; provided, however, Common Rules shall not include the application of the SEC, each Bats Exchange or FINRA rules

as they pertain to violations of insider trading activities, which is covered by a separate 17d-2 Agreement by and among Bats Exchange, Inc., Bats-Y Exchange, Inc., Chicago Board Options Exchange, Incorporated, Chicago Stock Exchange, Inc., EDGA Exchange Inc., EDGX Exchange Inc., Financial Industry Regulatory Authority, Inc., NASDAQ OMX BX, Inc., NASDAQ OMX PHLX LLC, The NASDAQ Stock Market LLC, National Stock Exchange, Inc., New York Stock Exchange, LLC, NYSE Amex LLC, and NYSE Arca Inc. effective December 16, 2011, as may be amended from time to time.

(c) “Common Members” shall mean those Bats Exchange members that are also members of FINRA and the associated persons therewith.

(d) “Effective Date” shall have the meaning set forth in paragraph 13.

(e) “Enforcement Responsibilities” shall mean the conduct of appropriate proceedings, in accordance with FINRA’s Code of Procedure and other applicable FINRA procedural rules, to determine whether violations of Common Rules have occurred, and if such violations are deemed to have occurred, the imposition of appropriate sanctions as specified under FINRA’s Code of Procedure and sanctions guidelines.

(f) “Regulatory Responsibilities” shall mean the examination responsibilities, surveillance responsibilities and Enforcement Responsibilities relating to compliance by the Common Members with the Common Rules and the provisions of the Exchange Act and the rules and regulations thereunder, and other applicable laws, rules and regulations, each as set forth on Exhibit 1 attached hereto.

2. **Regulatory Responsibilities.** FINRA shall assume Regulatory Responsibilities for Common Members. Attached as Exhibit 1 to this Agreement and made part hereof, each Bats Exchange furnished FINRA with a current list of Common Rules and certified to FINRA that such rules that are Bats Exchanges Rules are substantially similar to the corresponding FINRA Rules (the “Certification”). FINRA hereby agrees that the rules listed in the Certification are Common Rules as defined in this Agreement. Each year following the Effective Date of this Agreement, or more frequently if required by changes in either the rules of any Bats Exchange or FINRA, the Bats Exchanges shall submit an updated list of Common Rules to FINRA for review which shall add Bats Exchanges Rules not included in the current list of Common Rules that qualify as Common Rules as defined in this Agreement; delete Bats Exchanges Rules included in the current list of Common Rules that no longer qualify as Common Rules as defined in this Agreement; and confirm that the remaining rules on the current list of Common Rules continue to be Bats Exchanges Rules that qualify as Common Rules as defined in this Agreement. Within 30 days of receipt of such updated list, FINRA shall confirm in writing whether the rules listed in any updated list are Common Rules as defined in this Agreement. Notwithstanding anything herein to the contrary, it is explicitly understood that the term “Regulatory Responsibilities” does not include, and each Bats Exchange shall retain full responsibility for (unless otherwise addressed by separate agreement or rule) (collectively, the “Retained Responsibilities”) the following:

- (a) Surveillance, examination, investigation and enforcement with respect to trading activities or practices involving each Bats Exchange’s own marketplace for rules that are not Common Rules;

(b) registration pursuant to its applicable rules of associated persons (i.e., registration rules that are not Common Rules);

(c) discharge of its duties and obligations as a Designated Examining Authority pursuant to Rule 17d-1 under the Exchange Act; and

(d) any Bats Exchanges Rules that are not Common Rules, except for any Bats Exchanges Rules for any broker-dealer subsidiary of Bats Global Markets, Inc., as provided in paragraph 6.

3. **Common Members.** Prior to the Effective Date, each Bats Exchange shall furnish FINRA with a current list of Common Members, which shall be updated no less frequently than once each quarter.

4. **No Charge.** There shall be no charge to the Bats Exchanges by FINRA for performing the Regulatory Responsibilities under this Agreement except as otherwise agreed by the parties, either herein or in a separate agreement.

5. **Reassignment of Regulatory Responsibilities.** Notwithstanding any provision hereof, this Agreement shall be subject to any statute, or any rule or order of the Commission, or industry agreement, restructuring the regulatory framework of the securities industry or reassigning Regulatory Responsibilities between self-regulatory organizations. To the extent such action is inconsistent with this Agreement, such action shall supersede the provisions hereof to the extent necessary for them to be properly effectuated and the provisions hereof in that respect shall be null and void.

6. **Notification of Violations.** In the event that FINRA becomes aware of apparent

violations of any Bats Exchanges Rules, which are not listed as Common Rules, discovered pursuant to the performance of the Regulatory Responsibilities assumed hereunder, FINRA shall notify the Bats Exchanges of those apparent violations for such response as the Bats Exchanges deem appropriate. In the event that any of the Bats Exchanges becomes aware of apparent violations of any Common Rules, discovered pursuant to the performance of the Retained Responsibilities, the applicable Bats Exchange shall notify FINRA of those apparent violations and such matters shall be handled by FINRA as provided in this Agreement. With respect to apparent violations of any Bats Exchanges Rules by any broker-dealer subsidiary of Bats Global Markets, Inc., FINRA shall not make referrals to the Bats Exchanges pursuant to this paragraph 6. Such apparent violations shall be processed by, and enforcement proceedings in respect thereto will be conducted by, FINRA as provided in this Agreement. Each party agrees to make available promptly all files, records and witnesses necessary to assist the other in its investigation or proceedings. Apparent violations of Common Rules, FINRA Rules, federal securities laws, and rules and regulations thereunder, shall be processed by, and enforcement proceedings in respect thereto shall be conducted by FINRA as provided hereinbefore; provided, however, that in the event a Common Member is the subject of an investigation relating to a transaction on a Bats Exchange, the Bats Exchange may in its discretion assume concurrent jurisdiction and responsibility.

7. Continued Assistance.

(a) FINRA shall make available to the Bats Exchanges all information obtained by FINRA in the performance by it of the Regulatory Responsibilities hereunder with respect to the Common Members subject to this Agreement. In particular, and not in limitation of the foregoing, FINRA shall furnish the Bats Exchanges any information it

obtains about Common Members which reflects adversely on their financial condition.

The Bats Exchanges shall make available to FINRA any information coming to its attention that reflects adversely on the financial condition of Common Members or indicates possible violations of applicable laws, rules or regulations by such firms.

(b) The parties agree that documents or information shared shall be held in confidence, and used only for the purposes of carrying out their respective regulatory obligations. The parties shall not assert regulatory or other privileges as against another with respect to documents or information that is required to be shared pursuant to this Agreement.

(c) The sharing of documents or information between the parties pursuant to this Agreement shall not be deemed a waiver as against third parties of regulatory or other privileges relating to the discovery of documents or information.

8. **Statutory Disqualifications.** When FINRA becomes aware of a statutory disqualification as defined in the Exchange Act with respect to a Common Member, FINRA shall determine pursuant to Sections 15A(g) and/or Section 6(c) of the Exchange Act the acceptability or continued applicability of the person to whom such disqualification applies and keep the Bats Exchanges advised of its actions in this regard for such subsequent proceedings as the Bats Exchanges may initiate.

9. **Customer Complaints.** The Bats Exchanges shall forward to FINRA copies of all customer complaints involving Common Members received by the Bats Exchanges relating to FINRA's Regulatory Responsibilities under this Agreement. It shall be FINRA's responsibility to review and take appropriate action in respect to such complaints.

10. **Advertising.** FINRA shall assume responsibility to review the advertising of Common Members subject to the Agreement, provided that such material is filed with FINRA in accordance with FINRA's filing procedures and is accompanied with any applicable filing fees set forth in FINRA Rules.

11. **No Restrictions on Regulatory Action.** Nothing contained in this Agreement shall restrict or in any way encumber the right of any party to conduct its own independent or concurrent investigation, examination or enforcement proceeding of or against Common Members, as any party, in its sole discretion, shall deem appropriate or necessary.

12. **Termination.** This Agreement may be terminated by the Bats Exchanges or FINRA at any time upon the approval of the Commission after one (1) year's written notice to the other party, except as provided in paragraph 4.

13. **Effective Date.** This Agreement shall be effective upon approval of the Commission.

14. **Arbitration.** In the event of a dispute among the parties as to the operation of this Agreement, the Bats Exchanges and FINRA hereby agree that any such dispute shall be settled by arbitration in Washington, D.C. in accordance with the rules of the American Arbitration Association then in effect, or such other procedures as the parties may mutually agree upon. Judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Each party acknowledges that the timely and complete performance of its obligations pursuant to this Agreement is critical to the business and operations of the other parties. In the event of a dispute between the parties, the parties shall continue to perform their respective obligations under this Agreement in good faith during the resolution of such dispute

unless and until this Agreement is terminated in accordance with its provisions. Nothing in this Section 14 shall interfere with a party's right to terminate this Agreement as set forth herein.

15. **Notification of Members.** The Bats Exchanges and FINRA shall notify Common Members of this Agreement after the Effective Date by means of a uniform joint notice.

16. **Amendment.** This Agreement may be amended in writing duly approved by each party. All such amendments must be filed with and approved by the Commission before they become effective.

17. **Limitation of Liability.** Neither FINRA nor any Bats Exchange nor any of their respective directors, governors, officers or employees shall be liable to the other parties to this Agreement for any liability, loss or damage resulting from or claimed to have resulted from any delays, inaccuracies, errors or omissions with respect to the provision of Regulatory Responsibilities as provided hereby or for the failure to provide any such responsibility, except with respect to such liability, loss or damages as shall have been suffered by one or the other of FINRA or any Bats Exchange and caused by the willful misconduct of the other party or their respective directors, governors, officers or employees. No warranties, express or implied, are made by FINRA or any Bats Exchange with respect to any of the responsibilities to be performed by each of them hereunder.

18. **Relief from Responsibility.** Pursuant to Sections 17(d)(1)(A) and 19(g) of the Exchange Act and Rule 17d-2 thereunder, FINRA and the Bats Exchanges join in requesting the Commission, upon its approval of this Agreement or any part thereof, to relieve the Bats Exchanges of any and all responsibilities with respect to matters allocated to FINRA pursuant to

this Agreement; provided, however, that this Agreement shall not be effective until the Effective Date.

19. **Severability.** Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction.

20. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and such counterparts together shall constitute one and the same instrument.

IV. Discussion

The Commission finds that the proposed Plan is consistent with the factors set forth in Section 17(d) of the Act²⁰ and Rule 17d-2(c) thereunder²¹ in that the proposed Plan is necessary or appropriate in the public interest and for the protection of investors, fosters cooperation and coordination among SROs, and removes impediments to and fosters the development of the national market system. In particular, the Commission notes that the proposed Plan replaces and supersedes each of the original bilateral Plans between FINRA and a Bats Exchange without materially altering the core terms of any of the Plans. The Bats Exchanges, which all are under the common control of Bats Global Markets, Inc., have substantively identical Common Rules among themselves. The Parties have now proposed to add additional rules to the list of Common Rules and have used this opportunity to also combine their separate bilateral 17d-2 Plans into a combined plan among all of the Parties.

Because the proposed combined Plan preserves the general framework of each of the current bilateral Plans, and adds a number of additional Common Rules to the Regulatory Responsibilities assumed by FINRA under the Plans, the Commission believes that the proposed combined Plan should continue to reduce unnecessary regulatory duplication by allocating to FINRA certain examination and enforcement responsibilities for Common Members that would otherwise be performed by each Bats Exchange and FINRA. Accordingly, the proposed Plan promotes efficiency by reducing costs to Common Members. Furthermore, because the Bats

Exchanges and FINRA will coordinate their regulatory functions in accordance with the Plan, the Plan should promote investor protection.

The Commission notes that when it granted the application of each of the Bats Exchanges for registration as a national securities exchange, the Commission conditioned the operation of each Bats Exchange on the satisfaction of several requirements.²² One of those requirements was the effectiveness of an agreement pursuant to Rule 17d-2 between FINRA and the Bats Exchange that allocates to FINRA regulatory responsibility for certain specified matters.²³ The original bilateral 17d-2 Plans represents the Bats Exchanges' effort to satisfy that prerequisite, and the proposed combined Plan preserves the general framework of each of the current bilateral plans while expanding the list of Common Rules allocated under the agreement.

The Commission notes that, under the Plan, the Bats Exchanges and FINRA have allocated regulatory responsibility for those rules of the Bats Exchanges, set forth on the Certification, that are substantially similar to the applicable FINRA rules in that examination for compliance with such provisions and rules would not require FINRA to develop one or more new examination standards, modules, procedures, or criteria in order to analyze the application of the rule, or a Common Member's activity, conduct, or output in relation to such rule. In addition, under the Plan, FINRA would assume regulatory responsibility for certain provisions of the federal securities laws and the rules and regulations thereunder that are set forth in the

Certification. The Common Rules covered by the Plan are specifically listed in the Certification, as may be amended by the Parties from time to time.

Under the Plan, each Bats Exchange would retain full responsibility for surveillance and enforcement with respect to trading activities or practices involving the Bats Exchange's own marketplace, including, without limitation, registration pursuant to its applicable rules of associated persons (i.e., registration rules that are not Common Rules); its duties as a DEA pursuant to Rule 17d-1 under the Act; and any Bats Exchange rules that are not Common Rules, except for the Bats Exchange rules for any broker-dealer subsidiary of Bats Global Markets, Inc.²⁴ Apparent violations of any Bats Exchanges rules by any broker-dealer subsidiary of Bats Global Markets, Inc. will be processed by, and enforcement proceedings in respect thereto will be conducted by, FINRA.²⁵ The effect of these provisions is that regulatory oversight and enforcement responsibilities for any broker-dealer subsidiary of Bats Global Markets, Inc., which is the parent company of the Bats Exchanges, will be vested with FINRA. These provisions should help avoid any potential conflicts of interest that could arise if a Bats Exchange was primarily responsible for regulating its affiliated broker-dealers.

According to the Plan, the Bats Exchanges will review the Certification, at least annually, or more frequently if required by changes in either the rules of the Bats Exchanges or FINRA, and, if necessary, submit to FINRA an updated list of Common Rules to add the Bats Exchanges rules not included on the then-current list of Common Rules that are substantially similar to FINRA rules; delete the Bats Exchanges rules included in the then-current list of Common Rules that are no longer substantially similar to FINRA rules; and confirm that the remaining rules on the list of Common Rules continue to be the Bats Exchanges rules that are substantially similar

²⁴ See paragraph 2 of the proposed 17d-2 Plan.

²⁵ See paragraph 6 of the proposed 17d-2 Plan.

to FINRA rules.²⁶ FINRA will then confirm in writing whether the rules listed in any updated list are Common Rules as defined in the Plan. Under the Plan, each Bats Exchange will also provide FINRA with a current list of Common Members and shall update the list no less frequently than once each quarter.²⁷

The Commission is hereby declaring effective a plan that, among other things, allocates regulatory responsibility to FINRA for the oversight and enforcement of all the Bats Exchanges rules that are substantially similar to the rules of FINRA for Common Members of the Bats Exchanges and FINRA. Therefore, modifications to the Certification need not be filed with the Commission as an amendment to the Plan, provided that the Parties are only adding to, deleting from, or confirming changes to the Bats Exchanges rules in the Certification in conformance with the definition of Common Rules provided in the Plan. However, should the Parties decide to add a rule of the Bats Exchanges to the Certification that is not substantially similar to a FINRA rule; delete a rule of the Bats Exchanges from the Certification that is substantially similar to a FINRA rule; or leave on the Certification a rule of the Bats Exchange that is no longer substantially similar to a FINRA rule, then such a change would constitute an amendment to the Plan, which must be filed with the Commission pursuant to Rule 17d-2 under the Act and noticed for public comment.²⁸

²⁶ See paragraph 2 of the proposed 17d-2 Plan.

²⁷ See paragraph 3 of the proposed 17d-2 Plan.

²⁸ The Commission also notes that the addition to or deletion from the Certification of any federal securities laws, rules, and regulations for which FINRA would bear responsibility under the Plan for examining, and enforcing compliance by, Common Members, also would constitute an amendment to the Plan.

The Plan also permits the Bats Exchanges and FINRA to terminate the Plan, subject to notice.²⁹ The Commission notes, however, that while the Plan permits the Parties to terminate the Plan, the Parties cannot by themselves reallocate the regulatory responsibilities set forth in the Plan, since Rule 17d-2 under the Act requires that any allocation or re-allocation of regulatory responsibilities be filed with the Commission.³⁰

Under paragraph (c) of Rule 17d-2, the Commission may, after appropriate notice and comment, declare a plan, or any part of a plan, effective. In this instance, the Commission believes that appropriate notice and comment can take place after the proposed plan is effective. In particular, the purpose of the proposed Plan is to consolidate, for administrative ease, the separate bilateral Plans between FINRA and each Bats Exchange into one combined Plan. The Commission notes that the original bilateral Plans between FINRA and each Bats Exchange were published for comment and the Commission did not receive any comments thereon.³¹ Further, as noted above, the proposed combined Plan preserves the general framework of each of the current bilateral Plans while expanding the list of Common Rules allocated under the agreement. Accordingly, the Commission believes that the proposed plan does not raise any new regulatory issues that the Commission has not previously considered, and therefore believes that the Plan should become effective without any undue delay.

²⁹ See paragraph 12 of the proposed 17d-2 Plan.

³⁰ The Commission notes that paragraph 12 of the Plan reflects the fact that FINRA's responsibilities under the Plan will continue in effect until the Commission approves any termination of the Plan.

³¹ See supra notes 3-6.

V. Conclusion

This Order gives effect to the Plan filed with the Commission in File No. 4-705. The Parties shall notify all members affected by the Plan of their rights and obligations under the Plan.

IT IS THEREFORE ORDERED, pursuant to Section 17(d) of the Act, that the Plan in File No. 4-705, between FINRA, BZX, BYX, EDGA, and EDGX, filed pursuant to Rule 17d-2 under the Act, is approved and declared effective.

IT IS FURTHER ORDERED that BZX, BYX, EDGA, and EDGX are relieved of those responsibilities allocated to FINRA under the Plan in File No. 4-705.
